ASA Nozzleman Experience Summary

ASA Work Experience Form - For qualification to participate in an ASA sponsored ACI Shotcrete Nozzleman Certification session

New Certification: 500 hours of verified work experience as a shotcrete nozzleman, with at least 100 hours in the process and orientation for which certification is sought is a prerequisite.

Re-certification: 1000 hrs of verified work experience as a shotcrete nozzleman per process (wet- or dry-mix) with at least 200 hrs in the process for which recertification is sought within the 2 years immediately prior to seeking recertification or possessing an average of 500 hrs/year with at least 100 hrs in the process & orientation for which certification is sought within the last 5 years immediately prior to seeking recertification, is a prerequisite to participate in an ACI Shotcrete Nozzleman Recertification Session without retaking the written exam. If the written exam will be retaken, the originally submitted 500 hrs stand & no additional hours are required.

Nozzleman-In-Training: a minimum of 25 hours of work experience in the process and orientation being sought.

Instructions:

- 1) Complete and e-mail this form to the Examiner and ASA Staff at info@Shotcrete.org
- 2) Complete and sign the ASA Work Experience Signature form. Send the form to the Examiner and ASA staff by fax (248)848-3740) or scan the form and email it.

I authorize those whom I have given as references to furnish to the American Shotcrete Association or it's agent's information concerning my work experience. I agree to release and hold harmless any individual, company or institution, including the American Concrete Institute, the American Shotcrete Association, and any persons connected there with from liability imposed by law in furnishing such information. I have honestly completed or reviewed the information being submitted on this form. All statements herein conform to the truth, to the best of my knowledge. I submit this form in the belief that it contains no misrepresentations whatsoever.
